## **Volunteer Centre Dorset's Annual General Meeting**

**The Dorford Centre, Dorchester DT1 1RR**

**Friday 13<sup>th</sup> October 2017 (1pm - 4pm)**

***'Volunteering: A community Asset or an Unsustainable Challenge'***

Our Annual General Meeting will be followed by presentations demonstrating the impact volunteering has had on both local individuals and organisations.

This year, we are delighted to welcome Sir Stuart Etherington, CEO of the National Council for Voluntary Organisations. Throughout his career, Sir Stuart has been involved in the leadership of voluntary organisations and policies surrounding them. As such, he has become a leading commentator, both through his writing and his media profile.

Following Sir Stuart's opening address, there will be a Q & A session chaired by Sir Oliver Letwin, involving a panel of yet-to-be confirmed guests from the public, private and statutory sectors.

### **About the questions :**

Questions from attendees will make the Q & A session both engaging and informative and you are therefore invited to submit one question, advance notice of which would be appreciated. Please consider what has been in the news about volunteering, the wider VCSE sector, political, economic, social and moral issues affecting the sector, both locally and nationally.

**Our AGM is scheduled to commence at 13:00, after which there will be a break for light refreshments and networking. Sir Stuart's keynote address will be at 14.30.**

I look forward to welcoming you to our AGM and an afternoon of lively and informative debate.
